AI SALEM JOHNSON CONTROLS PROVIDES COMFORTABLE ENVIRONMENTS WHEREVER YOU LIVE, WORK OR TRAVEL

Whether you're at home, in a car, or in an office or workplace, chances are there's an Al Salem Johnson Controls product or service nearby, helping to make your environment more comfortable, safe and sustainable. Al Salem Johnson Controls creates smart environments that improve the places where people spend most of their time – their homes, workplaces and vehicles. We anticipate consumer needs, and then integrate technologies, products and services to make life better and easier.

Al Salem Johnson Controls is a leading provider of equipment, controls and services for heating, ventilating, air-conditioning, refrigeration and security systems for buildings. We deliver products, services and solutions that increase energy efficiency and lower operating costs for over one million customers.

Al Salem Johnson Controls has a wide range of York products for residential, light commercial and commercial applications. Our offering includes package & split air conditioners and heat pumps.

In addition, Al Salem Johnson Controls offers chillers, air handling units, ventilation equipment and controls for larger projects.

Our advanced technology is leading the way in developing efficient and environment friendly solutions for your homes, offices and places of leisure.

Let us create the ideal environment for you.
